**3. Please write a statement that indicates your view on issues facing ANA-Michigan? Indicate why you want to serve in this role and why you are best qualified to carry out the duties of this office? This statement will be shared publicly with the membership.**

I've been active with ANA-MI since its transition from RN-AIM and have held a variety of positions at the local and state level. Over the last several election cycles I have encouraged members to run for offices . I think it's important to continue to nudge our younger members to take a more active role in our association. And at the same time help them develop the skills to be successful in leadership roles in our association.
